## OBJECTIVE

Data analyst from a professional background in the medical and entertainment industry. I am seeking an opportunity to showcase my abilities in a growing company looking to effectively utilize their data to more adeptly provide statistical information to their clientele. I am focused, adaptable, and dependable while also being a flexible self-starter who works independently and responds quickly to the changing needs of the organization.

## QUALIFICATIONS

- Strong understanding of R, Python, Data Visualization
- Experienced in PowerPivot, SQL, Tableau, and BigQuery
- Ability to analyze and synthesize data for tracking and decision making
- Experienced in creating outcome measurements for multiple program areas
- Water Cooler Conversationalist

## EDUCATION

**University of Nevada, Reno '20**  
Bachelor of Arts in Journalism

**Drexel University** 2021 - 2022  
Master of Science in Information, Digital Content Management

**Google Data Analytics Certificate** 2022

---

## EXPERIENCE

**MedPointManagement** - *Jr. Report Analyst* Apr 2023 - Present

- Managed regular, new, and ad hoc reporting, ensuring accuracy and efficiency in data cleaning to Claims and UM functions.
- Effectively communicated health analytical results to non-technical individuals using Tableau dashboards
- Identified and remediated inefficiencies and problems within data sets and reports, demonstrating a proactive approach to data integrity.
- Utilize SQL daily to create and optimize data queries for generating reports
- Introduced python to the team and worked in integrating use of the language with IT

**Kwokman Diagnostics** - *Data Analyst & Staff Coordinator* Jan 2021- Aug 2023

- Created and maintained staff databases using Azure Data Studio, totaling 1200+ employees
- Tracked expense invoices and payroll with Google Sheets utilizing VLOOKUPS and Pivot tables, to meet budget provided by clients
- Designed Tableau dashboards highlighting past project growths to positively impact company sales
- Sourced medical professionals nationwide for COVID testing clientele (Nike, WarnerMedia, Google, iHeart Music Festival)

**Ming Entertainment** - *Data Analyst & Crew Coordinator* Oct 2020 - Aug 2023

- Analyzed data containing 1000+ hired freelancers for XFL to guide 2023 company budget strategies
- Performed data cleaning practices to streamline and enhance searchability
- Coordinated with operations producers to hire PA's, V3 subcuts, camera operators, stadium utilities etc
