OBJECTIVE

Data analyst from a professional background in the health and entertainment industry. I am seeking an opportunity to showcase my abilities in a growing company looking to effectively utilize their data to more adeptly provide statistical information to their clientele. I am focused, adaptable, and dependable while also being a flexible self-starter who works independently and responds quickly to the changing needs of the organization.

QUALIFICATIONS

- Strong understanding of R, Python, Data Visualization, and Agile Methodology
- Experienced in Google Sheets, SQL, Tableau
- Ability to analyze and synthesize data for tracking and decision making
- Experienced in creating outcome measurements for multiple program areas
- Water Cooler Conversationalist

EDUCATION

University of Nevada, Reno '20
Bachelor of Arts in Journalism

Drexel University 2021 - 2022
Master of Science in Information, Digital Content Management

Google Data Analytics Certificate 2022
